The art and fashion world married on Saturday night when Vladimir Restoin Roitfeld lured his pals uptown for the opening reception of artist Clare Rojas' solo exhibition. The exhibition, hosted by Restoin Roitfeld, includes over 30 works and marks Rojas's first showing in New York since her hiatus from painting. Also on display? A trifecta of poems penned by Rojas to accompany the pieces. Ellen von Unwerth, Kelly Rutherford, Carine Roitfeld, Julia Restoin Roitfeld, Christian Restoin, Michael Avedon, Anya Ziourova, Jeffrey Deitch, Stravros Niarchos Jr., Stephen Gan, and Derek Blasberg hit Roitfeld's project space on East 78th Street to toast the Bay Area-based artist. The exhibition opens today and runs through December 15th.
